## RIDE 365

What is Ride 365?

The miles you ride show your dedication to freedom and the open road. Ride 365 is The Official Mileage Recognition Program for Harley Owners Group. Ride 365 includes the existing Lifetime Recognition and two Annual Programs - Annual Recognition and an Annual Chapter Challenge that run from January 1<sup>st</sup> through December 31<sup>st</sup>.

What's in it for you? Track your riding experience, rack up miles and celebrate your milestones. Celebrate good times with family, friends and H.O.G. family, log your miles and be recognized.

What's in it for the Chapter? You help contribute to the Chapter Challenge mileage goal, have fun doing it and help to strengthen our Chapter.

What do you need to do? You must get your motorcycle odometer validated by the Harley Shop. If you are not enrolled in RIDE 365 Mileage Program, go see the Service Department at Mike Bruno's Bayou Country HD.

How will mileage be tracked? Get your odometer validated as early as possible and in the beginning of the calendar year. After that, you can return to the Harley Shop throughout the year to add to your total Lifetime, Annual and Chapter Mileage.
